The

Strowan Farms'
Shorthorn Dispersal

12:30 P.M.

MONDAY, NOVEMBER 8, 1948

**At Vaughnsville, Ohio
on the farm**

Cattle of superior quality backed by bloodlines of the very best are awaiting you in this important dispersal.

General Information

TIME—12:30 P.M. Eastern Standard Time on Monday, November 8, 1948.

LOCATION—Strowan Farms, where the sale will be held, is 1½ miles North and 1 mile East of Vaughansville, Ohio. Vaughansville is at the junction of state highways 12 and 115. It is 12 miles North of Lima on Highway 115 and 6 miles West of Columbus Grove on Highway 12.

HEADQUARTERS—The Argonne Hotel at Lima, Ohio, will be sale headquarters. Reservations may be made direct to the hotel or through the sale manager. Transportation will be furnished from the hotel to the farm.

LUNCH—A lunch will be served at the farm at noon by ladies of a local organization. Come early and inspect the cattle before the sale.

BIDS—Those wishing to buy at this sale but who find it inconvenient to attend may send buying orders to Hal Longley, the Sale Manager, 16 South Locust Street, Aurora, Illinois; Ed Huff, 16 South Locust Street, Aurora, Illinois; C. K. Tomson, Secretary of the American Shorthorn Breeders' Assn., 7 Dexter Park Ave., Chicago, Illinois; Stanley Perkins, Eastern Representative of the American Shorthorn Breeders' Assn., Swartz Creek, Michigan; or to the auctioneers.

PEDIGREES—A certificate of registry will be furnished with each lot sold and the certificate will be transferred to the buyer without cost to him. Applications for registry, properly signed, will be furnished for each calf sold at foot beside its dam and for each unborn calf sold in dam.

TRANSPORTATION—Plan to come early to inspect the entire herd previous to the sale. The Eastern Ohio Shorthorn Breeders' Sale will be held at Coshocton, Ohio, on November 6. Plan to attend both events and be our guests on Sunday, November 7. Transportation will be furnished from Lima, Ohio, to the farm.

SALE MANAGER—Hal Longley, 16 South Locust Street, Aurora, Illinois.

Terms Conditions Guarantee

The terms of the Sale are cash unless other arrangements are made with the owners before the sale commences and the Sale Manager is notified of the arrangement. Buyers who are not known to the Sale Manager will bring bank references. Settlements are to be made with the clerk of the sale immediately after the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

A certificate of registry and transfer will be furnished for each animal sold as a separate lot and properly signed applications will be furnished for the registry of all calves at foot and all unborn calves.

All animals in the sale have been tested for Tuberculosis and Bang's Disease within 30 days of the date of the sale and health certificates will be furnished. Calfhood vaccination for Bang's Disease has been practiced for many years at Strowan Farms.

The Strowan Herd is backed by an enviable reputation gained through honest business practices over a long period of years. The pedigrees are correct and the cattle are healthy. Nearly every cow in the herd either has a calf at foot or shows every evidence of being well forward in calf. Any known faults will be clearly announced on sale day. **As this is a dispersion sale, no further guarantee will be given except in the case of the herd bull.** Mercury's Goldfinder will be sold with a breeding guarantee if not allowed to run with the herd and if maintained in as good condition as when purchased. The income from the sale of this bull will be held in escrow for a six months period. In case Mercury's Goldfinder fails to prove a breeder, notice must be given within six months of the date of the sale. The purchase price, without interest, will be refunded in case this bull fails to meet the guarantee and the disposal of the animal will be at the option of the seller.

Announcements from the auction box will take precedence over printed matter in the catalog.

The above terms and guarantee constitute a joint contract between the owners of Strowan Farms and the buyer of each lot. Neither the Sale Manager nor the person delegated as Clerk assumes any liability, legal or otherwise.

All persons who attend this sale do so at their own risk and the owners assume no liability, legal or otherwise, for any accidents that may occur.

An Opportunity to Buy Splendid Individuals With Impressive Pedigrees

The offering includes one famous herd bull, Mercury's Goldfinder; five outstanding young bulls; twenty cows with calves at foot; seven beautiful heifers by Mercury's Goldfinder; six beautiful heifers bred to Imp. Pittodrie Upright; and twenty-five bred and open heifers and bred cows.

Throughout the catalog we have given some information about the various animals that will sell in this sale. There are enough illustrations to provide ample evidence that the cattle are of superior type and quality. When you see them you will be greatly impressed by their type and their ability to produce excellent offspring. In building our herd we have placed special emphasis on pedigrees and as you will note every individual in this sale is backed by the most famous bloodlines. One of our greatest additions to this herd was when we purchased Mercury's Goldfinder to be used as senior herd bull. His calves have continually been the low set, meaty kind that are typical of their famous ancestors, the Mercurys and the Goldfinders.

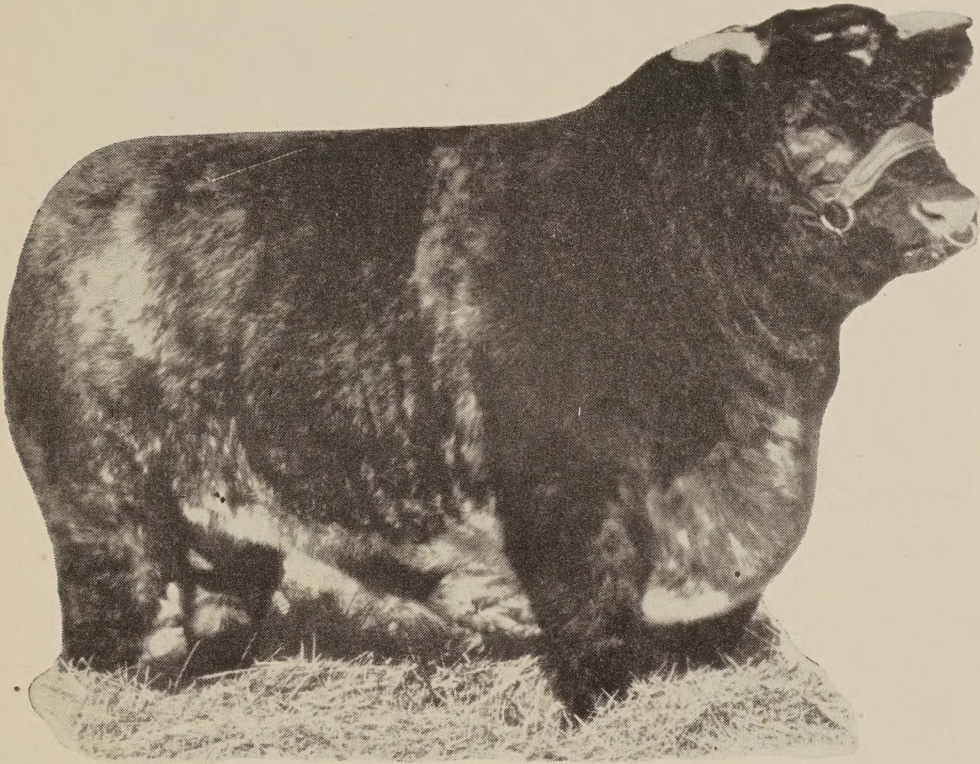

AUCTIONEERS

J. E. HALSEY, Des Moines, Iowa

PAUL GOOD, Van Wert, Ohio

There is no better time to buy foundation cattle with good production records or to buy a first class tried sire than at the dispersal of a good herd. Rarely is offered such a favorable opportunity as will be presented in the dispersal of the Strowan Farms herd.

For Reference Only

This is Supreme Goldfinder, sire of International champions and recognized everywhere as one of the breed's greatest improvers. Much of his blood will be found in this sale.

This is Edellyn Royal Leader, one of the most famous sires the breed has ever known. Note how many of the females in this sale are his granddaughters.

For Reference Only

This is Imp. Calrossie Mercury, Perth supreme champion, sire of a Perth supreme champion, and recognized on two continents as a history making sire. This sale is packed with his descendants.

An Offering of Great Shorthorns

Early in September, in company with my associate Ed Huff, I spent a day at Strowan farms helping Dwight Griffith arrange the details of this sale. With the exception of a dozen yearling heifers and bulls, all of the cattle were inspected in the pastures where the faults, if there are any, may be noted most easily. I was delighted with the quality of the entire herd. Later, when I was given the opportunity to study the pedigrees, I was equally enthusiastic. The young cattle, including the 20 calves that will sell at foot, many of them sired by Mercury's Goldfinder, are an excellent lot and provide positive proof that this bull is one of the great sires of the day. The bred heifers are superior individuals and the owners have been far-sighted in seeing that they are well forward in calf before arranging for this sale. The six heifers that are carrying the service of Imp. Pittodrie Upright are all tops. . . and best of all, they are all well forward in calf to his service. The cows with calves and the bred cows all look like real producers.

There is no better place to buy foundation cattle with good production records, or to buy a really first class tried sire than at the dispersal of a good herd, and rarely is offered such a favorable opportunity as will be presented in the dispersal of the Strowan Farms' herd.

Dwight Griffith, who has managed this herd from his boyhood, will furnish any required information about any or all of these cattle. Do not hesitate to consult him before the sale. You are invited to visit and inspect the herd before the sale. The sale being on Monday, you can come to Lima, Ohio, on Sunday, November 7, and transportation will be furnished to you from the Argonne Hotel to the farm and back.

Study this catalog. Note how many of the families have been carried on, producing profitably and improving constantly. Observe the names of the bulls that have been used and the pedigrees back of them. The more you learn about these good cattle the greater number of them you will wish to put into your own herds.

HAL LONGLEY,
of The Shorthorn World.

Pictured are two different photographs of the superb bull, Mercury's Goldfinder. Notice his ruggedness, good head and smoothness. Without a doubt he is the greatest breeding bull that has ever been used in the Strowan herd. Included in this sale are seven daughters and one son that will sell as separate lots. The majority of the calves that sell with their dams were sired by Mercury's Goldfinder and a large number of the cows sell heavy in calf to his service.

Mercury's Goldfinder—Our thick fleshed, heavy boned, masculine headed herd bull that will sell as Lot 1 in this dispersion. He carries in his pedigree the blood of the most famous bulls of the Shorthorn breed, Imp. Calrossie Mercury, a Perth supreme champion, and Supreme Goldfinder, a sire of International grand champions. The Mercurys and Goldfinders have been recognized by leading breeders throughout North America as thick fleshed, modern type Shorthorns that pass these extremely desirable characteristics on to their offspring.

Mercury's Goldfinder is a son of Edellyn Rival Mercury by Calrossie Mercury and out of a Rosewood cow by Goldfinder's Favorite by the famous Supreme Goldfinder. This four-year-old is a sire of proven ability and was a third prize winner at the 1945 Congress Show and Sale where he was consigned by George Struve. You will be impressed by his great head and horn, strong, deep, bulging quarters, thick flesh, scale and smoothness. He has a wonderful disposition as well as being an easy keeper. He is the sire of eight great heifers selling as separate lots and a liberal number of modern type, dark colored calves by him will sell with their dams. He is without question the greatest breeding bull we have ever used. If you are looking for a herd bull, here is one that has proved himself to be a sire of the right type calves.

Mercury's Royal Leader 2d is a smooth, good headed son of Edellyn Royal Leader 18th by Edellyn Royal Leader. His dam, Elmhurst Rosebud 4th, sells as Lot 57 in this sale. You get a good cross of the famous Royal Leader-Mercury bloodlines in this excellent prospect.

IMP. PITTODRIE UPRIGHT 2380873

Six of the best heifers ever mated to the world famous Imp. Pittodrie Upright are to be sold in this dispersal sale. One of them will calve before the sale, the others carry long service dates. All have been inspected by a competent vet to make sure that they are carrying calves. It is well to remember that the first two calves ever shown by Imp. Pittodrie Upright were winners during the past show season. One, Millgate Fairy Queen, a summer yearling, was a first prize winner at the 1948 Illinois and Indiana State Fairs, shown by Millgate Farms, Wadsworth, Illinois. The other, Rosewood Upright, also a summer yearling, was the grand champion Polled Shorthorn female at the 1948 Indiana State Fair, shown by Lynnwood Farms, Carmel Indiana.

These two beautiful heifers are just examples of the superior type and quality of the calves by this illustrious sire. Many calves by Imp. Pittodrie Upright are now arriving in Ohio and they all display the same smoothness, high quality and fleshing ability as their sire. This sale will provide the opportunity for you to buy the service of this great Perth supreme champion bull. Only in a dispersion sale would females bred to such a noted bull be offered.

Lots 6, 7, 8, 9, 10 and 11 are safe in calf to Imp. Pittodrie Upright by Bapton Upright.

Strowan Princess Royal—A beautiful daughter of Mercury's Goldfinder that is one of the best ever produced at Strowan Farms. She is bred and safe in calf to the service of Imp. Pittodrie Upright. You will notice she is a full sister to Lot 5.

Woodshade Augusta is by the sire of champions, Broadhooks Leader, and a fourth prize winner at the 1947 Ohio State Fair. Her dam is a daughter of OAC Ransom 13th by the famed Imp. Millhills Ransom. We bought this heifer in the last Ohio State Sales and she was bred on June 10 to Imp. Pittodrie Upright. Here is a heifer that will be a top in the best of herds. You will like her quality, excellent type and breediness. She is a half sister to the \$3,200 top female in the recent Maxwalton Dispersion.

Maxwalton Myrtle 9th is rebred to Imp. Pittodrie Upright. Here is a real 3-in-1 combination.

Maxwalton Myrtle 9th is a good, dark roan, deep bodied, thick cow that sells with an excellent, July 27 heifer calf at foot by Mercury's Goldfinder. This cow's dam was undefeated in Canada and was purchased by Maxwalton Farms for well over \$800 when cattle were really selling cheap. Maxwalton Myrtle 9th is an excellent milker and a member of the famous Phingask Myrtle tribe. She was rebred on August 20 to Imp. Pittodrie Upright.

Grassland Secret G is a member of the Secret family that has done well for us. You will notice that she is sired by Edellyn Marquis Mercury by Imp. Calrossie Mercury. This Secret family is the one that produced Browndale Commander, the great Snavey bull, and Strowan Clansman, the bull that we sold to Ohio State University. She is bred to Mercury's Goldfinder.

Elmhurst Lady Ransom—A heifer that has a beautiful pedigree. Notice the many great bulls that are her ancestors. Her dam was sired by a grandson of Collynie Royal Leader and her granddam is by Imp. Millhills Ransom.
